**Wow, I met a star!**

**Read the diary entry of Fiona and fill in the correct simple past forms of the verbs in the brackets!**

Dear diary,

I can't believe it's true! I visited (visit) Lauren this morning at the set and suddenly I saw (see) him, yeah, the one and only Ewan McGregor! Wow! He came (come) out of his caravan and talked (talk) to Lauren. I wasn't (not be) jealous at all. I didn't know (not know) what to do, I wanted to talk to him, but I felt (feel) so excited! He finished (finish) his talk and Lauren and Ewan moved (move) towards me. I was (be) totally shocked! I took (take) my digital camera and almost got (get) wild! Suddenly he stood (stand) in front of me and yes, he said (say) to me: "Hi, you're Fiona, aren't you? Lauren told (tell) me all about you and that you're a great fan of me!" I didn't say (not say) a single words and just looked (look) at him! He smiled (smile) and took (take) my camera, then he gave (give) Lauren my camera, put (put) his arm around me and Lauren made (make) a few photos! I was (be) so happy but I still didn't say (not say) a word! After the "photo – shooting" he gave (give) me a picture of him and wrote (write) a message on it.

Now, I'm here in my bedroom back home and I still can't believe that I had (have) the chance to be so close to Ewan. That was (be) the craziest and happiest day of my life!

Bye bye

Yours Fiona!
