Stay at home today and tomorrow.
You can go to school on Thursday.

15 Goodbye.

1 Hello, Olivia. How are you today?

5 Did you hurt anything else?

9 What about your head and your legs?
Did you wear a helmet?

3 What happened?

11 Do you have a headache?

Olivia:

6 My teeth and my nose are OK.
But I hurt my right arm a little.

10 Yes, I did. I think my head and legs are OK.

4 I was on my way to school. A little boy ran in
front of me. I fell off my bike and fell on my
face. But I didn't run into the boy.

14 Oh, OK. Thank you. Goodbye.

8 Ouch! Yes, it does.

2 Hello, Doctor Hardy. Not very well.
I had an accident on my bike this morning.

12 Yes, I do, but it isn't too bad. I was lucky
because my friend Dave was with me.
He went with me back to my house.
